Thinking about Pastors – I Timothy 3:1-7

1. What are pastors?
2. Who should be pastors?
3. What do pastors do?
4. How should I relate to my pastors?

Questions for Discussion & Application

1. What was confusing, convicting, or encouraging from this study of scripture?
2. What are some of the most important things that pastors should be focused on? What could hinder this focus in a pastor's life?
3. Do you pray for your pastors? What important requests can you make on behalf of your pastors?
4. What are some of the things that could wrongly become the motivation of a pastor or any of us for ministry rather than faithfulness to God? How can we protect against these false motives?
5. How can you grow in following the leadership of your pastors?
